Student Name: _____ **Present School:** _____

Types of Grade 9 Courses:

APPLIED *courses will focus on the essential learning concepts of the subject. Knowledge and skill will be developed through both theory and practical applications, but the focus will be on practical applications. Familiar, real-life situations will be used to illustrate ideas and opportunities will be given to experience hands on applications of the concepts presented.*

ACADEMIC *courses will focus on the essential learning concepts of the subject and additional related concepts. Although knowledge and skill will be developed through both theory and practical applications, the emphasis will be on theory and abstract thinking as a basis for future learning and problem solving.*

OPEN *courses are appropriate for all students. The Grade 9 Religion, Physical Education, and Option courses will be offered at the open level.*

LOCALLY DEVELOPED *courses are available in English, Mathematics, and Science in consultation with the Special Education Department.*

Please select the types of courses by marking an "x" in the appropriate boxes.
