School Uniform Policies & Procedures

The Patrick Fogarty Catholic Secondary School uniform identifies each student as a member of our school community. The school uniform reflects the mission of the SMCDSD: faithfully, inclusively and equitably, we inspire every student to realize their God-given potential. In addition, the school uniform contributes to the positive atmosphere in the school community and a safe, inclusive and equitable learning environment for all. Our school has consulted with the Catholic School Community Council (parents), students and staff to develop this set of shared standards for student dress. By choosing to attend Patrick Fogarty, you have chosen to wear the uniform with pride, and are expected to follow the school uniform policy. Your cooperation and assistance is very much appreciated.

School Uniform Policies & Procedures

What is considered defiance of the uniform policy?

- Not wearing a uniform top or bottom at school, including arrival/departure, during transition/lunch time, and in class
- Wearing a non-uniform item in the building (such as a hoodie, jacket, hat, or toque), including between classes and at lunch
- Altering the school uniform, with the exception of pants that require hemming
- Not riding the bus in school uniform
- Not following the uniform criteria and expectations in specialty classrooms
- If a student is out of uniform in the hopes of not being noticed, but has a back-up uniform in their school bag/locker
- Not following the criteria for civvies days
- Not following the criteria for spirit or theme days, including dressing in the spirit of the day

What if I don't follow the school uniform policy, or expectations for civvies, spirit and theme days?

- A student will not be admitted to class if they are not in full uniform
- Students out of uniform are to report to the office
- Students out of uniform are not sent back to class, nor is there such a thing as a uniform pass
- Uniform violation for the first time:
 1. The student will contact a parent/guardian from the office to have the appropriate uniform piece dropped off
 2. If uniform items cannot be dropped off, the student can be given parental permission to walk home
 3. The student may borrow from a friend (but cannot disrupt students who are in class)
 4. If available, the office may loan the student a uniform item for the day
 5. If unable to get into uniform, the student will be assigned a location to work for the day (likely the office).
- Subsequent uniform violation:
 1. Same procedure as a uniform violation for the first time
 2. Parent/guardian contact will be made by the student or office via phone or email
 3. Progressive discipline is implemented, such as a conversation or lunch detention
- Persistent uniform violations:
 1. Persistent uniform violations include: staff having to direct a student multiple times to get into uniform, putting on a hat/hoodie/etc. after being asked to remove the item, repeated uniform violations, and more
 2. Students in persistent defiance of the uniform policy are sent home
 3. Parent/guardian contact to give permission for their teen to walk home or be picked up immediately
 4. Progressive discipline for defiance, including suspension from school
